Ex. 5 - Deliberative Process

I've applied most of Jason's edits to my part of the briefing materials. What remain are a handful of comment boxes that need addressing. Want to give them a look then call me to discuss who should address which?

Subject: Draft RM mitigation summary

Importance: High

Here is a draft table. I reviewed the latest proposal (including an attached Hudbay letter to the Corps dated 9.26.14) highlighting the differences between the April 2014 plan and the revised September, 2014 plan. I haven't finished formatting table – wanted input first.
